### When

- **Elementary School Camp**  
June 14-18, 2021 9:00 - 3:00  
Rising 3rd - 5th graders
- **Middle School Camp**  
June 21-25, 2021 9:00 - 3:00  
Rising 6th - 9th graders

### What

NC State College of Engineering, Wilson Community College and the Upper Coastal Plain Learning Council will offer a week-long summer day camp for elementary and middle school students. Campers not only learn how engineers impact society, but they also experience engineering themselves through hands-on, creative investigations and designs. Past activities have included Nano Bug Mazes, OzoBots, Vertical Wind Tunnels, and Sumo-Robotics! New activities are being added for the 2021 Camp!

### Where

Lee Technology Center on the campus of Wilson Community College.

Free daily camp transportation available from Rocky Mount Preparatory School.
